MADE ONLY IN U.S.A.

KEEP OUT REACH OF CHILDREN

DIRECTIONS FOR USE:

It is in violation of federal law to use this product in a manner inconsistent with its labeling.

SHAKE CAN TO FLUFF POWDER BEFORE USING. Powder tends to settle in shipment.

Apply one level measure teaspoon of MILKY SPORE powder on top of grass in spots every four feet in rows four feet apart.

Use one pound on 4,000 sq. ft. of turf and ten pounds per acre.

Treat your lawn any season of the year when the ground is not frozen.

Water lightly after application to soak spores into soil.

Areas between spots will be inoculated naturally, which may require several years to achieve control.

NOT REGISTERED FOR USE ON
PASTURE LAND.

PRECAUTIONARY STATEMENTS

Hazardous to Humans

Caution: Avoid inhalation of powder or contact with eyes or open wounds.

Environmental Hazards

Keep out of lakes, ponds, or streams. Do not contaminate water by cleaning of equipment or disposal of wastes.

STORAGE & DISPOSAL

This product has a long shelf life if stored in a dry area out of sunlight. Keep lid tightly closed to protect product from moisture. Do not reuse empty container. Dispose in trash collection.
