

Clear The Air - Dog and cat care and gifts, pet odor removal products, and odor and smell control products.

MSDS

Section I

Manufacturer:

Earth Care Products

2205 Elevado Road

Vista, CA 92084

Phone: (760) 941-5302

Fax: (760) 941-0680

Chemical Name: Sodium aluminosilicate, a natural mineral.

Formula: $(\text{Na}^+, \text{K}^+, \text{Ca}^{++}, \text{Mg}^{++})_6[(\text{AlO}_2)_6(\text{SiO}_2)_{30}] \cdot 6.24\text{H}_2\text{O}$

Product use: Odor removal.

PIN Number: Not applicable.

Section II

Hazardous Ingredients: Does not contain controlled products.

Transportation of Dangerous Goods Classification: Not included.

Irritancy: Not known as an irritant.

Sensitization: Not known as a sensitizer.

Synergistic Products: No evidence.

Mutagenicity: No evidence.

Carcinogenicity: No evidence.

Section III Physical Data

Boiling point (F): N/A Sp.gr. (water=1): 2.2 .

Melting point (F): 2520 Solubility in water: <0.01%.

Vapor pressure (mm Hg): 0.

Odor: none

Appearance: Off white CAS Number 12173-10-3.

Section IV Fire and Explosion Hazard Data

Flash point: N/A.

Flammable limits: N/A.

Section V Health Hazard Data/First Aid Measures

No specific health hazard known. The SiO₂ is primarily combined as a complex aluminosilicate mineral not as a free oxide. However, it may contain a minor amount of silica in the form of quartz. No fibrous particles were present when tested by NIOSH.

Inhalation: Usually not a problem. Move person to fresh air.

Eye contact: Open eyelids and flush with water for at least twenty minutes.

Skin contact: Wash off with running water.

Ingestion: Get medical attention.

Section VI Reactivity Data

Stability (pH): 2.2-12 Incompatibility: None Known

Hazardous decomposition: N/A Hazardous polymerization: N/A

Section VII Spill Procedure

In case of spill: Sweep or scoop up spilled material

Disposal method: Place in container for non hazardous materials. May be disposed of in soils if uncontaminated by a hazardous material.

Section VIII Special Protection Information

Respiratory protection: Dust mask for handling powders. Gloves: Yes.

Eye protection: Goggles for handling powders or around flying particles.

Date of Issue: August 15, 1995
